

**Manufacturer**

Somar Industries, Ltd  
264 N. Nevarez Rd  
El Paso, Texas 79927  
Emergency Phone 915-858-8080

- DOT Classification: Non Hazardous.
- HMIS Rating: Health: 1 Fire: 0 Reactivity: 0 Personal Protection: A
- Identity:  
Unicoat Surface Primer 865

**Section I****Hazardous Ingredients**

- Chemical Identity: Product is an aqueous solution of essentially non-volatile materials an TLV is no applicable.
- Concentration: Does not apply
- CAS & Prod. ID: Does not apply
- LD 50 Specify Species & Route: Does not apply
- LC 50 Specify Species & Route: Does not apply.

**Section II****Physical Data**

- Physical State: Liquid
- Vapor Pressure (mm Hg.): 17
- Odor and Appearance: Mild acrylic, white soft paste.
- Vapor Density: 1
- Odor Threshold p.p.m.: Does not apply.
- Evaporate Rate: 1
- Specific Gravity: 1.12 gm/cc (9.3 LB/gal)
- Boiling Point: 212°F (100°C)
- Freezing Point: 32°F (0°C)
- PH: 8.5
- Solubility: Miscible in water

**Section III****Fire or Explosion Hazard**

- Flammability (If yes under what conditions: Non Combustible
- Means of Extinction: Does not apply.
- Means of Extinction: Does

- not apply.
- Flashpoint (°F) and method of determination: Does not apply.
- Upper flammability limit (% by volume): Does not apply.
- Lower flammable limit (% by volume): Does not apply.
- Auto-Ignition Temperature (°F) Does not apply.
- Hazardous combustion products: Does not apply.
- Explosion data: Does not apply.
- Sensitivity to static discharge: Does not apply.

**Section IV****Reactivity Data**

- Chemical stability (if no under what conditions): Yes
- Conditions of reactivity: Does not apply.
- Hazardous decomposition products: None

**Section V****Toxicological Properties**

This product is an aqueous solution of essentially non-volatile materials and TLV is not applicable.

Signs and symptoms of overexposure:

- Skin: May cause drying
- Eyes: May cause irritation
- Inhalation: None known
- Ingestion: None known
- Carcinogenicity, reproductive toxicity, teratogenicity, mutagenicity: Not listed.
- Synergistic Products: None

**Section VI****Preventive Measures**

Personal protective equipment:

- Gloves (Specify): Does not apply.
- Respirator (Specify): Approved paint mask when spraying.
- Eyes (Specify): Safety wear when spraying
- Footwear (Specify): Does not apply.

- Clothing (Specify): Does not apply.
- Other (Specify): Does not apply.
- Engineering Control: Does not apply.
- Leak or spill procedure: Avoid breathing vapors, ventilate area, and remove with inert absorbent, floor may be slippery, use caution to avoid falling.
- Waste Disposal: Dispose of in accordance with local, state and federal regulations. Incinerate in approved facility, do not incinerate in closed container.
- Handling procedures and equipment: Does not apply.
- Storage requirements: Do not store above 120°F (48°C) or below 40°F (4°C).
- Special handling information: Do not allow to freeze, protect containers from rupture.

**Section VII****First Aid Measures**

- Eyes: Flush with water.
- Skin: Wash with mild soap and water.
- Sources used: component materials manufacturer's Material Safety Information.

**Additional Information**

The information on this Material Safety Data Sheet reflects the latest information and data we have on hazards, properties and handling of this product under the recommended conditions of use. Any use of these products which is not described in the Technical Data Sheet is the sole responsibility of the user.
